Principal's foreword

Introduction

McDonnell Creek State School is a small rural school in the Far North of Queensland situated on the Bruce Highway between Cairns and Innisfail. The Bellenden Ker ranges from a scenic backdrop to the school, which is bordered by McDonnell Creek. Established in 1913, the school celebrated its centenary in 2013. Many of our students travel up to 30 minutes to school, from as far as Edmonton and Gordonvale, with 20% of our students living locally.

McDonnell Creek State School is a one teacher school, with a Teaching Principal instructing a multi-age classroom from Prep to Grade 6. Day 8 enrolment of 20 students in 2015 are enrolled in years 1 to 6. Students have access to independent learning programs and are supported to work at their learning level of the Australian Curriculum. With continual growth of student outcomes, well established routines, behaviour management, high staff morale and a well-supported community, the learning and social environment for all students is evidently empowering and welcoming.

This report outlines aspects of the school's progress, and highlights the schools achievements as it relates to 2015. The report also provides an overview of the school's priorities for 2015. It contains information pertaining to students, staff and the community. In particular, it outlines progress towards goals, future outlook, enrolment figures, school disciplinary absences and staff qualifications. It also contains information pertaining to the school opinion survey.

School progress towards its goals in 2015

During 2015 the schools explicit improvement agenda was defined by the Principal supported by staff and community members with the focus on the following key regional priorities:

- 1) Improving Teaching - establish an effective curriculum plan: Following an external review plans were put in place for the development of an effective whole school plan for curriculum delivery to be implemented in 2016.
- 2) Connecting Parents and Caregivers with their Children's Learning: Issues were identified and addressed to improve the connection of parents to their children's learning and the development of effective relationships within the school community.

Future outlook

1. Continued enhancement of the current P-2 and Years 3-6 reading programs
2. Continue to use "Great Results Guarantee" funding to implement reading intervention programs across the school
3. Refinement and development of high expectations of all students, ensuring they are making significant individual progress
4. Students and parents will be engaged in developing and reviewing independent learning goal setting while they are frequently analysing and discussing their learning experiences with teaching staff.

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2013	22	9	13	3	73%
2014	21	9	12	2	91%
2015	20	9	11	3	74%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2015, there were no students enrolled in a Pre-Prep program.*

*Pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the student body:

The students at McDonnell Creek State School benefit from a supportive, secure and small school environment. Our school functions under multiage principles which facilitate individualised learning achievements. Our student body currently consists of year levels from year 1 to year 6. Our students reside both locally and as far south as Deeral and north to Mount Sheridan attending our school. Our students are engaged in many outdoor activities as well as many local area community initiatives and clubs. Due to the spread of regions in which our students reside, at McDonnell Creek we support many different surrounding communities.

Average class sizes

Phase	Average Class Size		
	2013	2014	2015
Prep – Year 3	12	11	10
Year 4 – Year 7 Primary			
Year 7 Secondary – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2013	2014*	2015**
Short Suspensions - 1 to 5 days	3	0	0
Long Suspensions - 6 to 20 days	0	0	0
Exclusions	0	0	0

How Information and Communication Technologies are used to improve learning

McDonnell Creek State School embeds information and Communication Technologies (ICT) into normal classroom practice. ICT is a crucial part of the students' learning at McDonnell Creek State School as it becomes further integrated into all areas of the curriculum. The school has two interactive whiteboards, one in the classroom and one in the school library. The school is also equipped with 10 computers, readily available for student use. Teaching staff have individual laptops, all staff have access to computers. The school has 3 iPads which are integrated into learning practices.

Social Climate

Our students enjoy a cooperative, safe environment. We operate under a multi-age philosophy. This enables us to cater to all students' learning needs at an individual level. Students enjoy working in small groups with guidance from the classroom teacher and classroom teacher aides.

A high emphasis is placed on the relationship of staff with students, and students with each other. The school supports the Positive Behaviour for Learning model, with an emphasis on social skills, manners, tolerance and citizenship. Disruptive behaviours that interrupt learning and unsafe behaviour is not tolerated at our school.

A strong sense of community is also present at our school, whereby students, staff and families support one another and work towards a common goal. Students and their families are the focus of the school. We value developing and maintaining relationships.

Parent and Community Engagement

McDonnell Creek State School works with parents and community members to achieve the best academic outcomes for all students. Parents are actively involved in their child's education through consultation around individual learning goals. Parents and community members are invited to attend various community events designed to promote learning and interaction with local small schools.

McDonnell Creek engages visiting GO, HOSES, Speech pathologist and other services to create care teams in consultation with parents to facilitate appropriate adjustments to assist students with diverse needs to access and participate fully at school.

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

Our students are working to reduce our environmental footprint. They are encouraged to engage in water and power saving activities as a part of everyday school routines. The school is an active member of the Earth Smart Program. Our senior students work to educate all students on ways to save energy, recycle, reduce unnecessary waste and be sustainable. The need

for reduction of energy consumption is seen as highly important and staff, students and community members work to support this initiative.

Environmental footprint indicators		
Years	Electricity kWh	Water kL
2012-2013	10,890	290
2013-2014	5,806	285
2014-2015	4,611	240

*The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Performance of our students

Key student outcomes

Student attendance	2013	2014	2015
The overall attendance rate for the students at this school (shown as a percentage).	92%	96%	91%
The attendance rate for Indigenous students at this school (shown as a percentage).	92%	99%	96%

The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall attendance rate in 2015 for all Queensland Primary schools was 93%.

Student attendance rate for each year level (shown as a percentage)

	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2013	95%	88%	95%	97%	92%	89%	DW	91%					
2014	95%	99%	96%	95%	95%	97%	92%	DW					
2015		92%	89%	87%	94%	98%	96%						

*From 2013, the methodology used for calculating attendance rates effectively counts attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Classroom and school roles are marked twice daily to record student attendance. Parents and carers are immediately contacted around any issues.

Family and carers are contacted on the second day consecutive absence should there be no previous contact.
